

STRATEGIC BUSINESS DEVELOPMENT COMPANY
OF THE YEAR, 2B LIMITLESS FZC

2b Limitless is a multi-award winning professional coaching and training organization focused on Strengths, Engagement, Performance and Transformation. Headed by Mick Todd, 'Acquisition International' UAE Executive Coach of the Year 2016 and 'International Advisory Experts' UAE Executive Coach of the Year 2017. We are focused on C-Suite Executives, Senior Leaders, Entrepreneurial Leaders and High Performance Teams. With offices in Dubai, Phuket and Brisbane.

Our core business is built around executive coaching programs and our 2BYB International Goal-Setting Events. We also deliver targeted training and workshops around Strengths, Goals, Strategy, Purpose, Vision & Values and Extraordinary Success.

The pace of change in business is staggering. Leaders are faced with an unprecedented number of real time decisions that have far reaching ramifications for clients, employees and shareholders. Having real clarity of purpose, objectives, goals and the rituals and behaviours that will deliver performance that will lead to a meaningful impact are critical components of the modern leaders toolbox. As business continues to become more and more complex a leaders ability to simplify and identify the true priorities, take agile action and make a meaningful impact is key. That is where we come in and help leaders to develop a roadmap and the tools that they need to deliver excellence in performance.

2017 has seen 2b Limitless grow significantly as an organisation based around the quality of our team and the outstanding achievements of our clients. We have assembled our strongest ever team that deliver excellence across a broad spectrum of personal and professional success. We now feel that we have a complete coaching and training offering.
