WOO | Input | Intellection | Activator | Includer

Profile:

Peter Turner is a Partner and Head of Coach Education with 2b Limitless. He has a diverse background in Education, Applied Psychology, elite level sports coaching, organizational engagement and Performance Coaching/Training.

Pete is a high-performance team trainer and coach specializing in the behaviors, attitudes and psychology of elite performers. He does this by leveraging the very latest in performance psychology and applied learning from engaging with great teams and people from around the world

His focus is to create 21st century learning experiences that are scientifically rigorous, inquiry based, formally certified, interactive and fun. He has delivered thousands of hours of coaching and training to CEO's, Executives, Founders, General Managers, Learning & Development Managers and HR teams across a spectrum of private and public industries including hospitality, asset management, real estate, finance, construction, Law, analytics and education.

As a Partner with 2b Limitless Peter oversees the credentialing and performance development of the coaching team at 2b Limitless as well the certification and standards of 2b Limitless learning programs.

Peter is also an accomplished conference speaker and talks frequently on the state of the workplace, human motivation, leadership and high performance.

In a knowledge-rich world, with instant access to the latest thinking; transformational coaching is the solution for inspiring personalized insight, and self-determined action for remarkable success.
